## HORIZON SCANNING IN VETERINARY EPIDEMIOLOGY ACCOMMODATION

There are various hotels in the centre of Liège, but heavy roadworks (construction of tram tracks that will cross the entire city – scheduled to be completed by the end of 2025) make it difficult to move around the city (by car and by bus). They generate a lot of traffic jam. If you wish to find a hotel other than those listed below through your standard booking platform, we advise you to rather look in the area of Liège-Guillemins train station. A list of possible hotels can be found below.

### LIST OF HOTELS

The order is arbitrary and does not reflect any judgement or preference.

Costs per day are estimates and will depend on the timing of your booking and choice!

A shuttle service will be organized during the symposium, to transport you to/from the Symposium location (Château de Colonster). The two pick-up/drop points will be: 1) Ibis Liège Seraing (hotel) and 2) Tilff train station.

One hotel will be a pick-up point for the shuttle to the symposium location:
